GENERAL RULES AND REGULATIONS

1. All exhibitors agree to be bound by the rules and regulations of the Clearfield County Fair.
2. Fair management reserves the right to amend or add to these rules and regulations, as its judgment may determine.
3. Reasonable care will be taken to protect all exhibits on display from all injury and damage, but the Fair is not in any way, to be held responsible for accidents, loss or damage by water, fire, and theft or otherwise, whatever may be the cause or extent of the damage.
4. Entries will be made according to classification. Entries may be made by mail, in person, or online. **NO PHONE ENTRIES WILL BE ACCEPTED. A SEPARATE ENTRY BLANK MUST BE USED FOR EVERY DEPARTMENT.** Entry forms must be in the Fair Office by the date specified for each Department. Entries must be on Fair entry blanks only. You can obtain additional blanks at the Fair Office.
5. Premiums, as listed may be given for meritorious exhibits. In cases where there is no competition, judges may give an award, such as they deem the exhibit is worthy to receive. The same rule applies where there are fewer entries in any class than the number of premiums that are offered. Judges may, at their discretion, award a ribbon or rosette. The Fair reserves the right to determine how many entries they will accept from an exhibitor in the same class or, in the case of livestock, the same breed, and poultry, the same species. **THE DECISION OF THE JUDGES SHALL BE FINAL IN ALL CASES**, except where mistakes, fraud, misrepresentation or collusion, not discovered at the time of the award, is proven. In such cases, the Fair Manager will make the decision. **THERE WILL BE NO JUDGING OR PRIZE AWARDED ON THE DANISH SYSTEM.** All protests regarding the judging must be made in writing and must plainly state the cause of the complaint or appeal. Such protests must be filed at the Fair Office within 24 hours of the occurrence.
6. It shall be the responsibility of the exhibitor to properly name the article or breed of livestock being entered. Any exhibit improperly entered will be disqualified to receive a premium, however, the judges will show the correct name on the entry tag, for the benefit of the owner, so the same mistake in entering is not repeated in the future.
7. All entries must have been grown, produced, or made since the last Fair, by the person whose name appears on the tag as exhibitor. Entries are limited to residents of the county or to a specified area that are listed in the Fair's Premium Book rules section. Exhibitors may be required to prove the ability to reproduce an entry, in any department, in the presence of a qualified person.
8. Superintendents reserve the right to bar from competition, animals, vegetables, flowers, poultry, products, and manufactured articles of decidedly inferior quality, and those not possessing sufficient merit to warrant recognition. The Fair reserves the right to remove any exhibit that is not worthy of viewing by the public.
9. The Clearfield County Fair Board and the Judge/Judges reserve the right to disqualify any items that are proven or suspected to not be personally grown or made. (e.g. - Diamond Walnuts, Dole)
10. Food products cannot be polluted with any substance that causes them to be poisonous and unfit to be used as food. Any such incidents must be reported to the Pennsylvania Agriculture Fair Program for further review.
11. **No exhibit may be removed from the grounds between 12:00 noon OPENING DAY of the Fair and 12:00 Midnight CLOSING DAY of the Fair, except Dept. 8-Poultry, or by special permission from the Fair Board Office.**
12. In the event that award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of the fair or show, which shall be supplied by the Fair, free of charge.
13. 4-H and FFA judging is viewed as an educational process and those exhibitors, and their leaders, are encouraged to **view** the judging event. Any exhibitor interfering with the judges while making awards, shall forfeit any premium to which he/she would otherwise have been entitled. Other than animal judging, all other judging will be closed to the exhibitors.
14. All livestock offered for premiums must have been the property of the owners for thirty (30) days or longer. Health papers are to be issued in the name of the exhibitor.
15. Market animals will be weighed on the same set of scales, under a qualified weight master, under the direction of the Fair.
16. Should any animal awarded a prize be disqualified, the animals gaining the lower prizes shall move into the next higher position, if, in the opinion of judges, the animals are worthy of such prizes.
17. The overfitting of cattle is discouraged. Any artificial means used to change the form or shape of an animal will disqualify it from competition.
18. When on exhibition in the ring, each animal must be under halter, in charge of the owner or employee. The Fair will have stand-by attendants available during the youth judging or showing, employees that are designated if there is trouble with the animals.
19. Joint ownership is designated as one owner in accordance with registration papers.
20. Due to the fact that it is not possible to list every desirable or worthwhile Class in each Section of each Department, and that fashion and fad, particularly in the areas of Needlecraft, Domestic Art and Fine Art, may change the norm, it is intended that the Fair will add or delete classes in what they perceive to be their own best interest. **SUCH CHANGES SHALL NOT IN ANY WAY JEOPARDIZE THE PREMIUM REIMBURSEMENT UP TO THE MAXIMUM set forth in each Section of each Department.**
21. It is permissible for each Fair to establish Supreme Champion classes.
22. **ALL PREMIUMS WILL BE PAID BY CHECK. ALL CHECKS ARE VOID IF NOT CASHED BY AUGUST 31 OF THE CURRENT YEAR.**
23. Exhibitors are responsible for bedding and feed for their animals in Department 1 – 6.
24. Expo II - Exhibits will be accepted on Thursday and Friday, 9:00 AM – 7:00 PM; Saturday and Sunday 8:00 AM - NOON. Exhibits will be judged on Monday, July 15, 2024, at 9:00 AM. The Expo II building will be open daily from 12:00 PM – 10:00 PM. Exhibits may be picked up **ONLY** on SUNDAY, July 21, 2024, from 9:30 AM to 2:30 PM.
25. Exhibitors with horses, cattle, sheep, goats, and swine are required to submit an insurance certificate with a minimum of \$300,000 Liability coverage. All certificates must be in the Fair Office by Friday, July 5, 2024. Insurance and registration papers must accompany entry blanks and will be checked before entries are accepted.

All electrical fans and all other electrical appliances must be grounded. This applies to Concessions as well as in the Barns.

IAFE NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows, shall always, deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels. All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada. The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- 1)** All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
- 2)** Owners, exhibitors, fitters, trainers, or responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
- 3)** Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
- 4)** Animals shall be presented to show events where they will enter the food chain free of volatile drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state, and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state, and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
- 5)** Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counter irritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- 6)** The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
- 7)** Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
- 8)** No owner, exhibitor, fitter, trainer, or responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such an individual to disciplinary action.
- 9)** The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether he or she was instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- 10)** The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including *Fairs and Expos* and any special notices to members.
- 11)** The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or responsible person that he or she has read the IAFE Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

1. All Pennsylvania poultry, including chickens, turkeys, waterfowl, and upland game birds entering an exhibition must bear an official PDA-issued leg band. Ratites must be identified with a neck band or an electronic implant device (the exhibitor must supply a reader). Pigeons and doves must bear a unique individual identification leg band but do not have to be identified with an official PDA leg band.
2. An Owner-endorsed Poultry Health Certificate or a Certificate of Veterinary Inspection (health chart or CVI) must accompany all Pennsylvania poultry, including chickens, turkeys, waterfowl, upland game birds, and ratites; and pigeons/doves; and hatching eggs. The certificate must include the following:
 - Name and location of exhibition; and
 - Name, address, and telephone number of the owner; and
 - A statement that the entries and the flock of origin are free of evidence of infectious and contagious diseases; and
 - Owner signature and date of that signature.
3. **Avian Influenza Testing and Verification:** All samples must be collected by a Certified Poultry Technician or a Category II Accredited Veterinarian.
 - All poultry, including chickens, turkeys, waterfowl, upland game birds, and ratites, (pigeons/doves excluded), and their hatching eggs for exhibition must originate from a flock in which a random, representative sample of a minimum of 30 birds, 3 weeks of age or older, were tested for avian influenza within the 30 days prior to opening date of the exhibition. The birds or hatching eggs must be accompanied by the most recent test report (copy acceptable). Test results must be negative. If there are fewer than 30 birds in the flock, test all birds. For waterfowl, cloacal swab samples must be collected for testing instead of blood samples, and the swabs may be tested using PCR techniques. Swabs from geese and ducks may not be combined in the same tube for testing. Untested birds shall not be comingled with or added to the tested flock after negative samples have been collected and before the show.

4. Pullorum-typhoid Testing and Verification (pigeons/doves and waterfowl excluded for exhibition).
All samples must be collected by a Certified Poultry Technician or a Category II Accredited Veterinarian.

- Poultry, including chickens, turkeys, upland game birds and ratites (pigeons/doves and waterfowl excluded) and their hatching eggs must originate from a good standing on the NPIP Pullorum-typhoid Clean Program (and there was no break in the chain of ownership by NPIP participants) or from a flock in good standing on the PA Pullorum Equivalent Program. The birds or hatching eggs must be accompanied by the most recent test report (copy acceptable). Test results must be negative. If the rapid whole-blood plate agglutination test was done, the most recent NPIP 9-2 form or state equivalent form must accompany the birds or hatching eggs (copy acceptable). Test results must be negative. If birds are less than one year of age and all originate from an NPIP Clean hatchery, they do not have to be test for pullorum-typhoid if they are accompanied by an NPIP 9-3 form from that hatchery and any additions to flock were also from NIP Clean sources. The NPIP number must be noted on the report for NPIP Pullorum-typhoid Clean flocks.

OR

- All individual birds (pigeons/doves and waterfowl excluded) for exhibition and birds providing hatching eggs (maximum of 300) must have had a pullorum-typhoid test within the 90 days prior to the opening date of the exhibition. The Clearfield County Fair Queen and her court dedicate their time to community outreach, philanthropy, and agriculture advocacy, not just fair week, but all year long. In 2001, the "Queens for Kids" initiative, now known as "Queens for a Cause", was created to benefit the Janet Weis Pediatric Hospital through the Children's Miracle Network at Geisinger. The project initially started with a partnership between the Clearfield County Fair Queen Committee, the Clearfield County Fair & Park Board, and the Clearfield County Junior Livestock Sale Committee. For over 20 years, the outgoing Fair Queen has assisted in raising a market lamb, which is shown and sold during the Annual Junior Livestock Sale. Proceeds from the lamb benefit both the "Queens for a Cause" charity and the 4-H and FFA Junior Livestock Sale Scholarship Fund. Through the lamb project and multiple other major fundraisers each year, the Clearfield County Fair Queens for a Cause initiative has been able to help raise \$175,000 for the Children's Miracle Network. Additionally, more than \$20,000 has been provided to other local charities on behalf of the Clearfield County Fair Queen Program. In addition to fundraising, the Clearfield County Fair Queen and her court attend many community events throughout the year. From parades to local festivals and other neighboring fairs, the Clearfield County Fair Queen and her court enjoy meeting community members, helping other organizations raise money for the causes they care about, promoting the Clearfield County Fair, and of course, advocating for Pennsylvania Agriculture. The Clearfield County Fair Queen Program is an educational program that provides young women the opportunity to broaden their knowledge of agriculture and the entire fair industry, while building self-confidence and strengthening their communication skills.
